MANCHESTER'S Happiest MEDICAL AESTHETICS EVENT

ABOUT THE SUPER HAPPY SYMPOSIUM

CLINICIAN-LED EDUCATIONAL EVENT FOR MEDICAL PROFESSIONALS HOSTED BY HAPPY INJECTOR CLUB FOUNDER AND CLINICAL LEAD DR FELICITY MCGUIRE AND HAPPY INJECTOR CLUB BUSINESS LEAD FIONA MACASKILL.

The Super Happy Symposium is a clinician-led educational event for medical aesthetics professionals who value clinical excellence, reflective practice, and sustainable business growth.

The programme blends:

- Evidence-based clinical education
- Honest discussion around real-world clinic challenges
- Practical business insight
- Carefully structured networking

The atmosphere is intentionally intimate, curated, and engaging. Attendance is capped, exhibitor numbers are limited, and exhibition time is protected within the agenda.

This ensures every interaction has purpose and value.

Now in its second year, the symposium builds on a highly successful inaugural event, praised for its clinical relevance, engaged audience, and carefully curated format. Designed for practitioners at any stage of their career, the focus is on education that can be confidently applied in real clinical practice and real clinic settings.

This is an educational event first, supported by a small number of aligned exhibitors who enhance the learning experience.

WHO IT'S FOR

The symposium is designed for:

- All medical professionals
- Clinic owners and managers who hire medical professionals
- Early-career practitioners through to advanced injectors
- Anyone looking for genuine support and connection

Attendance is intentionally limited to maintain quality, accessibility, and engagement.

EDUCATION PROGRAMME: CLINICAL INSIGHT IN REAL PRACTICE

The programme blends clinical education with practical business and marketing considerations.

Topics include:

- Biostimulation & bioregeneration
- Hair loss treatments & exosomes
- Case studies
- Skincare formulations
- Legislation, regulation & industry updates
- Implementing new products and treatments
- Marketing and positioning

All sessions are non-brand-specific, evidence-based, and relevant whether you are introducing treatments for the first time or refining an established offering.

WHAT DELEGATES SAID LAST YEAR

"Thank you SO much for letting me be a part of the day. "Would you attend another event organised by us?" ABSOLUTELY YES wasn't an option to select! Well done on such a successful day."

"Well done Felicity and Co for organising such a fabulous symposium ...as a Reg Dental Therapist I am often not able to attend such events as not deemed qualified enough!!! ..you don't know what it means to me to be included and have our training recognised ...for that reason I will attend, support and embrace any training or function that you provide for us moving forward...many many thanks"

"It was a great symposium & being able to speak to practitioners from different backgrounds & experiences provided for a fantastic experience. Thanks Felicity, Amie & everyone else involved."
